Dear Sirs

**Food Safety and Hygiene (England) Regulations 2013, Retained EC Regulation 852/2004 and Retained EC Regulation 178/2002  
Health and Safety at Work etc. Act 1974 and Associated Regulations**

**Moza Indian Restaurant Unit 6 446 Nottingham Road Chaddesden Derby DE21 6PE**

I refer to my visits of the above premises on 7 and 8 July and my discussions with your staff and yourself, [REDACTED].

The purpose of my visit was to carry out a food hygiene inspection and health and safety inspection.

I based my food hygiene inspection upon potential food poisoning hazards, contamination risks and control measures. The health and safety inspection was risk based, focused only on those risks highlighted nationally, or locally as a priority for your industry group, and general observation of your practices and procedures.

The following areas were inspected at the time of my visit:

- Bar
- Kitchen
- WC's

## Inspection Report

I have enclosed a copy of your inspection report. Schedule A lists legal requirements, which must be completed. Schedule B lists recommendations of good practice, intended to improve working practices.

This inspection report contains only those issues identified at the time of the inspection. It is your responsibility to ensure that your business complies with all relevant legal requirements on an ongoing basis.

## Food Hygiene Rating

Derby City Council operates the national Food Hygiene Rating Scheme. Your rating has been calculated as follows, based on the standards found at the time of inspection:

Compliance with food hygiene and safety procedures	25
Compliance with structural requirements	20
Confidence in management/control procedures	20
Total score	65
Food hygiene rating	<b>0 – Urgent Improvement Necessary</b>

**As discussed at the time of the visit, you have been rated on the basis of standards observed. This is because of conditions noted at the time of my visit on 7 July 2023 were totally unacceptable (although improvements were noted at my revisit on 8 July 2023). I also had concerns that you had two substantiated complaints in less than two weeks of you trading: 1. Clay in naan bread and 2. Undercooked chicken.**

Details of how your rating was calculated are contained on our website, [www.derby.gov.uk/food-safeguards](http://www.derby.gov.uk/food-safeguards). Paper copies can be provided on request.

A sticker showing your rating is enclosed. Your rating will also be published on the Food Standards Agency's website at [www.ratings/food.gov.uk](http://www.ratings/food.gov.uk) approximately five weeks from receiving this letter.

You may request that the rating is published before this time. A form to make the request is available on the Council's website, [www.derby.gov.uk/food-safeguards](http://www.derby.gov.uk/food-safeguards).

Derby City Council is a public body for the purposes of the Freedom of Information Act 2000 and information may be disclosed in accordance with the provisions of that Act or its statutory Publication Scheme. Please note that regular requests are made to this Department for copies of the inspection letters relating to food premises that have been rated as a 0, 1 and 2 under the scheme.

## Appeal

If you feel that the rating is unjust you have 21 days to appeal. An appeal may be lodged by submitting a completed Business Appeal form. I recommend that you contact me first so that I may explain your rating scores.

## Re-score

If you make improvements, you can request a re-visit to generate a new food hygiene rating. There is a charge of £197 for each re-score visit. Payment must be made online at [www.derby.gov.uk/food-pay](http://www.derby.gov.uk/food-pay) and the Business Revisit Request form submitted.

## Right to Reply

Your comments can be published online, alongside your rating, to explain unusual circumstances or action taken since the inspection. You must complete and return the 'Business Right to Reply' form.

You must implement the work relating to a change in working practices and cleaning immediately and all other items by **8 October 2023**.

I will be in touch in the next few weeks to see how you are progressing with the requested works. As discussed at the time of my visit, there may be implications of your rating dropping and your ability to trade on the online platforms. If you apply to be re-scored I advise you that once requested there is a wait time for this to be undertaken (minimum 6 weeks – maximum 12 weeks).

Please contact me if you have any questions or concerns about your inspection report or about your food hygiene rating.

My manager, [REDACTED] would welcome any feedback about the inspection, please email [REDACTED]. Any information will be treated in confidence and used solely for performance monitoring and improving our services.
