### Food Hygiene Rating

Derby City Council operates the national Food Hygiene Rating Scheme. Your rating has been calculated as follows, based on the standards found at the time of inspection:

Compliance with food hygiene and safety procedures	15
Compliance with structural requirements	15
Confidence in management/control procedures	20
Total score	50
Food hygiene rating	<b>1 – Major Improvement Necessary</b>

**As discussed at the time of the visit, you have been rated on the basis of standards observed. Following my last visit in 2021, in correspondence sent to you (Ref – 211208 INSPECTION EB/NR) you were clearly advised if matters were not addressed/or re-occurring matters noted, your rating would drop.**

Details of how your rating was calculated are contained on our website, [www.derby.gov.uk/food-safeguards](http://www.derby.gov.uk/food-safeguards). Paper copies can be provided on request.

A sticker showing your rating is enclosed. Please destroy the sticker showing your previous rating as only the most recent rating should be displayed. To continue to display a previous (or inaccurate) rating may constitute an offence under the Consumer Protection from Unfair Trading Regulations 2008.

Your rating will also be published on the Food Standards Agency's website at [www.ratings.food.gov.uk](http://www.ratings.food.gov.uk) approximately five weeks from receiving this letter.

You may request that the rating is published before this time. A form to make the request is available on the Council's website, [www.derby.gov.uk/food-safeguards](http://www.derby.gov.uk/food-safeguards).

Derby City Council is a public body for the purposes of the Freedom of Information Act 2000 and information may be disclosed in accordance with the provisions of that Act or its statutory Publication Scheme. Please note that regular requests are made to this Department for copies of the inspection letters relating to food premises that have been rated as a 0, 1 and 2 under the scheme.
