Derby City Council – Response
ID Reference FOI061035971
Date 13/09/2023

Public Toilets

Please could you provide me with the information below for your public conveniences.

1.How many public toilet facilities is your local authority responsible for, including those ran by contracted companies?	Nine public toilets on parks and a further two public toilets on ground floor of the Council House in the reception area, therefore eleven in total
2.How many of your public toilets have a charge for usage?	None
3.What are the charges?	No charge
4.How many of your toilets are in parks?	Nine (including one currently closed due a major football hub refurbishment project)
5.How many park toilets do you charge for?	None
6.What do you charge for your toilets in parks?	No charge
7.How many of your toilets are only coin operated?	Not applicable – see Q5 response.
8.How many of your toilets are only card operated?	Not applicable – see Q5 response.
9.How many of your toilets use both payment methods?	Not applicable – see Q5 response.
10.Who installed your payment system?	Not applicable – see Q5 response.

Please note, the following applies, if the response includes council officers (or other officers) names.

If you are a company that intends to use the names and contact details of council officers (or other officers) provided for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You

Derby City Council

must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference. You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
