

Derby City Council – Response

ID Reference FOI748271651

Date 07/03/2025

I am writing to request the following information under the Freedom of Information Act. Specifically, I would like the data for the year 2024 (from January 1st to December 31st), as broken down in the points below.

When referring to 'children' I mean from birth to their 18th birthday. Please note, for questions about foster care, I do not require information on kinship/connected carers or private fostering arrangements.

Also, when referring to 'Muslim' children I mean where one or both of the parents are Muslim, or when the child identifies as Muslim. Likewise, when referring to Pakistani, I mean when one or more of the parents are Pakistani heritage (unless otherwise stated in the question).

If you're not able to provide all data, please respond to any questions that you are able to provide data for

**Please note, the following applies, if the response includes council officers (or other officers) names.**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference. You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
