Date 28/04/2025

We are seeking information on the appropriate contact within your Local Authority for submitting Thorough Examination reports that identify serious defects in lifting equipment (forklifts, telehandlers, tractors, MEWPs etc.). In some cases, this responsibility falls under Environmental Health Officers, but we understand this may vary between authorities.

Please could you confirm:

Information Requested	Response
1.The department and/or role responsible for receiving reports of serious defects identified during Thorough Examinations of lifting equipment within your Local Authority.	The Food and Safety Team within Regulatory Services.
2.The preferred contact details (name, email address, phone number) for submitting such reports.	All reports to be sent to FoodandSafety.Duty@derby.gov.uk. Contact number if needed (01332) 640779.

Where we are the enforcing authority for H&S (some will fall within the scope of the HSE) we have full responsibility for Derby City Council enforced premises. Please note, the following applies, if the response includes council officers (or other officers) names.

If you are a company that intends to use the names and contact details of council officers (or other officers) provided for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference. You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
