Inspection Details

Inspection Requirements (L) must be carried out within the time period specified.

Recommendations (R) are not legal requirements but are good practice for your type of business.

I refer to my visit today following a complaint concerning suspected mice activity at the premises. I was disappointed on my visit to find a mouse ingestion in the premises the premises was voluntarily closed. You must know! -

- ① Contact your pest controller to bait and advise on proofing issues.
- ① Fill in any gaps/holes which are potential access points to pests and fill these in with solid/durable material.
- ① Ensure equipment / packages in lidded containers.
- ① Thorough cleaning and disinfection of all surfaces. Equipment that cannot be put away and hard contact points must ~~be~~ ~~place~~ ~~prior~~ be disinfected.
- ① Open food / soft packaged items must be protected from contamination i.e. place in airbands/boxes.
